**TNX** fr participation.

I am sorry for the longer delay in the evaluation. I was en route.

**By the way:** According to the rules of this activity, one period will take half a year. The present period will be finished at the end of June, 2018. In July the next period will start.

**Note:** No score for QSO's on the 60 mtrs band, because there is no exclusive frequency range for CW. Otherwise, only short QSO's are desired on this band.
