

# IY1EY 2024 ELETTRA AWARD

Special Italian event to celebrate the 150th anniversary of the birth of Guglielmo Marconi

*150<sup>th</sup> anniversary of the birth of  
Guglielmo Marconi*

---

From 2<sup>nd</sup> to 14<sup>th</sup> April 2024 to commemorate the 150th anniversary of the birth of Guglielmo Marconi, the special station "Marconiana" IY1EY will be operational in SSB - CW - Digital (FT8, FT4 - RTTY) modes and in all bands HF 80m, 40m, 30m, 20m, 17m, 15m, 12m and 10m. To obtain the IY1EY 2024 AWARD certificate a minimum of 20 points is required, based on the total sum of the points connecting IY1EY as follows:

- Qso CW : 3 points on each band
- Qso SSB : 2 points on each band
- Qso DIGI : 1 points on each band

The Marconian special prefix will be active simultaneously on multiple bands and modes. Contacts are valid on the same day provided that there is at least a change in mode or band.

On the HRDLOG.net platform you will see the online log and the score in real time.

The IY1EY 2024 award is released without online registration on HRDLOG in digital format A4 high resolution color at the end of the event.

It is not necessary and no type of log and Qsl paper confirmation is required.

The links will be uploaded to LOTW and available in digital iQSL format on the HRDLOG.net

platform.

QSL paper only directly via Clublog OQRS because the Bureau ARI does not provide the service and does not support the name.

NO qsl via Bureau.
